MD Formulations - Anti-Redness Solution Kit

Product ID: 20902

- This kit replaces the Critical Care Starter Kit.

This skincare solution was designed with your sensitive, redness-prone skin in mind for visibly calmer, smoother, younger-looking skin. The four-step regimen addresses the problems related to rosacea-prone skin to help reduce the appearance of redness and uneven skin texture. Helps to normalize sensitivity and promote a calm, smooth complexion.

Choose this kit if you:

- Need an advanced, yet gentle regimen specifically designed for sensitive, rosacea-like redness
- Want to visibly reduce redness and flushing, even out skin tone, soften roughness and smooth overall skin texture
- Would also like to see fewer lines and wrinkles, strengthen delicate skin and help normalize sensitivity
- Have combination or dry skin

Kit Includes: Facial Cleanser Sensitive Skin Formula (2 oz), Continuous Renewal Serum Sensitive Skin Formula (1 oz), Critical Care Calming Gel (.3 oz), Total Protector 30 (.3 oz), Critical Care Skin Repair Complex (.5 oz), Critical Care Shielding Creme (.5 oz)

Retail Price: \$60.00

Our Price: \$54.00

Usage:

AM Regimen

Step 1: Cleanse

Massage a liberal amount of Facial Cleanser Sensitive Skin Formula directly onto skin without water. Massage longer on oily areas. Avoid eyes. Mild tingling is normal and temporary. Rinse completely and pat dry.

Step 2: Correct

Shake well. Apply a small amount of Continuous Renewal Serum, Sensitive Skin Formula to face, avoiding eye area. Mild tingling is normal and temporary.

Step 3: Special Care

Apply a small amount of Critical Care Calming Gel to face.

Step 4: Protect

Finish with a liberal amount of Total Protector 30

PM Regimen

Step 1: Cleanse

Massage a liberal amount of Facial Cleanser Sensitive Skin Formula directly onto skin without water. Massage longer on oily areas or where face makeup is heavy. Avoid eyes. Mild tingling is normal and temporary. Rinse thoroughly. Pat dry.

Step 2: Extra Care

Apply a small amount of Critical Care Skin Repair Complex to face.

Step 3: Hydrate

Apply a small amount of Critical Care Shielding Creme moisturizer to dry areas where needed.

MD Formulations - Brighten & Tighten Eye Serum

Product ID: 20905

For those who want a quick, convenient way to reduce the look of dark, under-eye circles and puffiness, the Brighten and Tighten Eye Serum is the perfect solution to instantly erase the signs of sleepless nights and early mornings, and promote an overall more vibrant, youthful-looking eye area. This powerful, multi-action serum acts like a shadow chaser and complexion reviver by immediately reducing visible signs of fatigue around the eye area. Easy to apply, the cooling roller-ball pen makes this a convenient pick-me-up anytime, anywhere.

- Works to visibly deflate puffs, tighten droops, smooth lines and minimize the look of dark circles in a flash.

- Contains micro-circulators, optical diffusers and soothing botanicals to help flush out darkened toxins, brighten shady areas and decrease puffy water-retention under the eyes.

- Skin-smoothing ingredients work to reduce the appearance of fine lines and wrinkles while skin-tightening ingredients firm and lift the look of fatigue.

Dermatologist-tested, ophthalmologist-tested, oil-free, fragrance-free.

Retail Price: \$36.00

Our Price: \$34.00

Usage:

Shake well. Invert roller ball pen and lightly roll under and around eyes. Gently pat and smooth with finger to absorb. Can be used alone or under makeup.

MD Formulations - Continuous Renewal Complex Sensitive Skin Formula

Product ID: 20907

This daily treatment is specially designed for sensitive types who want to improve the appearance of dull, rough, aging and sun-damaged skin. Works by continuously smoothing away a lifetime of old skin cell build-up to help uncover radiant new skin. Special gentle formula combines our patented Glycolic Compound, soothing botanicals and a higher pH level than our original formula. May also help to normalize sensitivity over time. Creamy texture is ideal for dry, sensitive skin types.

Dermatologist tested, allergy tested, non-comedogenic, fragrance free.

Retail Price: \$35.00

Usage:

Apply a small amount to clean face and neck. Avoid eye area. Mild tingling is normal and temporary, Use in the morning and follow with moisturizer and sunscreen, or as directed by your skin specialist. Do not layer Correct treatment products.

This product contains an alpha hydroxy acid (AHA) that may increase your skin's sensitivity to the sun and particularly the possibility of sunburn. Use sunscreen and limit exposure while using this product and for a week after.

MD Formulations - Lip Balm SPF 20

Product ID: 20921

Our new formula provides enhanced environmental defense for year-round protection in sun or snow. SPF 20 sunscreen protects lips from UVA and UVB rays while shea butter and botanical oils provide intensive moisture for chapped lips.

Hydrates, conditions, and protects lips with Vitamin E, Aloe, and broad-spectrum SPF 20 in a nourishing base of shea butter and sunflower seed oil. With tea tree and peppermint oil to soothe and refresh.

Retail Price: \$12.00

Usage:

Apply as needed.

MD Formulations - Moisture Defense Antioxidant Treatment Masque

Product ID: 20927

The perfect "super-hydration" treatment for soothing and moisturizing skin. Instantly replenishes moisture without leaving an oily after-feel. Restores vital moisture with potent antioxidants and botanical extracts to rebuild the skin's protective barrier against environmental damage.

Provides intensive hydration and is suitable for all skin types.

Rapidly recharges moisture and increases moisture retention. Can be used as often as needed for personalized level of hydration.

Retail Price: \$26.00

Usage:

Cleanse face and neck thoroughly. Apply evenly over face and neck. Leave on for 15 minutes, rinse and pat dry. For intensive hydration, use several times a week.

MD Formulations - Pedicreme

Product ID: 20931

Exfoliate, soften and smoothe even the roughest areas of the feet with this intensive treatment formula.

Eliminates dry, thick patches of rough skin on the feet. Soft retexturized skin replaces rough, dry and callused areas, including the thick patches that form on the heels of the feet.

Dermatologist tested, non-comedogenic, allergy tested, fragrance-free.

Retail Price: \$35.00

Our Price: \$31.50

Usage:

May be used once or twice daily on the feet.

MD Formulations - Teen Anti-Acne Solution Kit

Product ID: 20936

Just follow this full-strength, clear skin solution and you'll see blemish-free, worry-free skin in no time at all. In fact, clinical tests have shown a 51% reduction in pimples and 33% reduction in whiteheads and blackheads with daily use.

Choose this kit if you:

- Are a teenager or young adult who regularly experiences blemishes and acne
- Want a fool-proof way to clear blemishes and help stop new ones dead-on
- Have oily or very oily skin, and want to control shine

4 piece kit includes: Facial Cleansing Gel (2 oz) purifies and deep cleans to eliminate daily oil, makeup, residue and clogging dead skin cells. Glycare Acne Gel (2.5 oz) targets acne-causing bacteria while clearing pores of excess oil and clogging dead skin cells. Advanced Hydrating Complex Gel (0.5 oz) moisturizer for oily skin types. Weightless formula restores skin's natural moisture levels to help prevent skin dehydration. Total Protector 30 (0.3 oz) protects skin from harmful UVB and UVA rays.

Retail Price: \$35.00

Our Price: \$31.50

Usage:

This kit is designed as a full-strength solution, so we recommend starting out gradually. For the first 1-2 weeks, follow the AM regimen. Then as skin adjusts, follow both the AM and PM regimens for best results. ALWAYS wear sunscreen during the day.

AM Regimen

Step 1: Cleanse

Lather a liberal amount of Facial Cleansing Gel in hands with water. Massage over skin. Avoid eyes. Mild tingling is normal and temporary. Rinse thoroughly. Pat dry.

Step 2: Correct

Apply a thin layer of Glycare Acne Gel treatment to affected areas. Mild tingling is normal and temporary. If product is too strong, use once in the evening only. Allow to dry before next step.

Step 3: Hydrate

Apply a small amount of Advanced Hydrating Complex Gel moisturizer to entire face.

Step 4: Protect

Apply a liberal amount of Total Protector 30 sunscreen over moisturizer.

PM Regimen

Step 1: Cleanse

Lather a liberal amount of Facial Cleansing Gel in hands with water. Massage over skin. Avoid eyes. Mild tingling is normal and temporary. Rinse thoroughly. Pat dry.

Step 2: Correct

Apply a thin layer of Glycare Acne Gel treatment to affected areas. If product is still too strong, use once every other evening until skin adjusts; then revert to every evening. Allow to dry before next step.

Step 3: Hydrate

Apply a small amount of Advanced Hydrating Complex Gel moisturizer to entire face.
