Glycolic Free. Absorbs immediately into skin, restoring moisture for softer, more supple skin. Ideal for cold/dry climates.

Retail Price: \$45.00

Our Price: \$40.50

Usage:

Directions for use

Apply sparingly morning and evening.

MD Forte - Advanced Hydrating Complex Gel

Product ID: 13601

Glycolic Free. Light, fluid formula absorbs immediately to restore vital moisture, leaving skin hydrated, softer and more supple. Ideal immediately following a glycolic acid peel.

Retail Price: \$45.00

Usage:

Directions for use

Apply sparingly morning and evening.

MD Forte - Aftercare Environmental Protection Cream SPF 30

Product ID: 13602

Glycolic Free. MAXIMUM protection against UVA/UVB for face, neck, chest, and hands. Higher levels of transparent Zinc Oxide provide superior protection especially for post-laser care.

Retail Price: \$25.00

Our Price: \$22.50

Usage:

Apply daily regardless of weather conditions. Should be reapplied every 2 hours when prolonged sun exposure occurs, and after swimming or excessive sweating.

MD Forte - Combination Skincare System

Product ID: 13624

For skin that has both dry and oily areas.

M.D. FORTÉ® Core System for Combination Skin. Products are designed to balance the needs of both skin types.

Package includes:

Facial Cleanser II: 15% glycolic acid based cleanser. A gentle, soap-free cleanser that removes makeup and surface debris. Leaves the skin exceptionally smooth and soft. Generally preferred for dry, normal, and combination-slightly oily skin types. Non-comedogenic.

Skin Rejuvenation Lotion II: 20% glycolic acid compound combined with Vitamins A and E of higher strength for advanced correction, ideal for pre and post laser care, spot treatments or smile and worry lines.

Replenish Hydrating Cream: In just 3 weeks you will see a reduction in fine lines, increase in moisture content, an improvement in overall skin texture and smoothness, and a reduction in dryness. Repairs past damage, moisturizes present skin condition, and protects against future damage. Mineral Oil Free, Non-Comedogenic, Dermatologist Tested.

Aftercare Environmental Protection Cream SPF 30: Glycolic Free. MAXIMUM protection against UVA/UVB for face, neck, chest, and hands. Higher levels of transparent Zinc Oxide provide superior protection especially for post-laser care.

Skin Rejuvenation Eye Cream: 10% glycolic acid compound with Poly Vitamins A Complex and E enrichment that visibly diminishes fine lines, wrinkles, and puffiness while hydrating, firming and soothing skin. Ideal for contact lens wearers.

Retail Price: \$145.00

Our Price: \$130.50

Usage:

Directions for use

Facial Cleanser II: Use a.m. and p.m. or as directed by a physician or skin care professional. Apply a quarter size amount and massage over skin. Rinse with warm water and a clean wash cloth, blot dry.

Skin Rejuvenation Lotion II: Cleanse skin and pat dry. Apply sparingly to the face and neck one to two times daily. Avoid the eye area and out to the temples.

Replenish Hydrating Cream:

Cleanse skin. Apply to face and neck before or after facial lotion or cream. Use once or twice daily, or as recommended by your physician. Also use as needed to soften, smooth and hydrate hands.

Aftercare Environmental Protection Cream SPF 30: Apply daily regardless of weather conditions.

Should be reapplied every 2 hours when prolonged sun exposure occurs, and after swimming or excessive sweating.

Skin Rejuvenation Eye Cream: Cleanse and pat face dry before applying. Pat gently under the eye and out to the temples. Use once a day, alone or with makeup.

MD Forte - Dry Skin Care System

Product ID: 13622

For skin that feels tight and dry, and needs extra moisture and hydration.

M.D. FORTÉ® Core System for Dry Skin. Products are designed to Package includes:

Replenish Hydrating Cleanser: Replenish Hydrating Cleanser is a glycolic-free, super-hydrating cleanser for all skin types, especially vulnerable for sensitized skin. A proprietary anti-irritant Complex makes this product an excellent adjunct to post-procedural regimens and an ideal choice in combination with the use of AHA, BHA, and retinoid products.

Facial Cream II: 20% glycolic acid based cream of higher concentration formulation that is highly effective in helping smooth complexions, even skin tones and restore youthful-looking skin. Lifts the skin's dull, dry, surface layer. Rich, emollient formula is alcohol-free and fragrance-free. Can be used by any skin type, but is generally preferred by individuals with dry or sensitive skin.

Replenish Hydrating Cream: In just 3 weeks you will see a reduction in fine lines, increase in moisture content, an improvement in overall skin texture and smoothness, and a reduction in dryness. Repairs past damage, moisturizes present skin condition, and protects against future damage. Mineral Oil Free, Non-Comedogenic, Dermatologist Tested.

Aftercare Environmental Protection Cream SPF 30: Glycolic Free. MAXIMUM protection against UVA/UVB for face, neck, chest, and hands. Higher levels of transparent Zinc Oxide provide superior protection especially for post-laser care.

Skin Rejuvenation Eye Cream: 10% glycolic acid compound with Poly Vitamins A Complex and E enrichment that visibly diminishes fine lines, wrinkles, and puffiness while hydrating, firming and soothing skin. Ideal for contact lens wearers.

Penetrates immediately without leaving residue. Generally preferred by normal/combination or slightly oily skin types. Dermatologist-tested.

Retail Price: \$50.00

Our Price: \$45.00

Usage:

Directions for use

Apply sparingly once or twice daily.

MD Forte - Facial Lotion III

Product ID: 13629

30% glycolic acid based lotion promotes and maintains healthy, youthful-looking skin by gently lifting away the outer, dry, surface layer of skin. Alcohol-free, oil-free and fragrance-free. Penetrates immediately without leaving residue. Generally preferred by normal/combination or slightly oily skin types. Dermatologist-tested.

Retail Price: \$60.00

Our Price: \$54.00

Usage:

Directions for use

Apply sparingly once or twice daily.

MD Forte - Glycare Cleansing Gel

Product ID: 13609

15% glycolic acid based cleanser. Helps extremely oily or problem-prone skin by gently removing dirt and surface oil. Leaves the skin feeling clean and smooth. Non-comedogenic, Dermatologist-tested.

Retail Price: \$25.00

Our Price: \$22.50

Usage:

Directions for use

Massage small amount over dry skin. Add water. Product will lather well. To remove, splash 15 to 20 times with lukewarm water.

MD Forte - Glycare I

Product ID: 13610

15% glycolic acid based compound that smoothes skin tone and texture. Recommended for extremely oily or severe problem-prone skin. Can be used with other topical preparations or moisturizers. Non-comedogenic, Dermatologist-tested.

Retail Price: \$18.00

Our Price: \$16.20

Usage:

Directions for use

Apply sparingly once or twice daily.

MD Forte - Glycare II

Product ID: 13611

20% glycolic acid based compound for extremely oily skin and problem prone skin. Lightweight, exfoliates surface skin cells to smooth and refine skin.

Retail Price: \$20.00

Our Price: \$18.00

Usage:

Directions for use

Apply sparingly once or twice daily.

MD Forte - Glycare Perfection Gel

Product ID: 13612

1% salicylic acid in 5% glycolic based compound to help clear up acne blemishes and occasional breakouts while exfoliating surface skin cells.

Retail Price: \$24.00

Our Price: \$21.60

Usage:

Directions for use

Cleanse the skin thoroughly before applying medication. Cover the entire affected area with a thin layer one to three times daily. Because excessive drying of the skin may occur, start with one application daily, then gradually increase to two or three times daily if needed or as directed by a physician. If bothersome dryness or peeling occurs, reduce application to once a day or every other day.

MD Forte - Hand and Body Cream

Product ID: 13613

20% glycolic acid based compound. Hydrating cream for the entire body. Ideal as a nail and pedicure treatment. Eliminates rough, callous areas on heels and feet. Helps prevent brittle nails from splitting while softening cuticles. Leaves the skin with healthy, youthful shine.

Retail Price: \$30.00
Our Price: \$27.00
